DIGITAL & PHOTOGRAPHIC IMAGERY II

Photo II is an advanced Fine Arts lab class in digital imaging. Learn how to paint with light, using the camera, the computer, alternative darkroom processes, and various techniques as the brush and the world around us as the canvas. Together, we will learn how to work in Photoshop CS4, Adobe Lightroom v2, manipulate and retouch digital images, make prints, create photographic and digital portfolios, read, critique, and respond to images, and understand more of the history of photography in relation to digital developments.

Photo II/ will stress the following concepts in order to foster Personal Responsibility (PR), Social Responsibility (SR), Critical Thinking (CT), and Communication (CO), the IHS School Wide Outcomes.

- A. Advanced technical, creative and aesthetic skills of the art form and medium. (PR, CT, CO)
- B. A supportive and consistent environment of feedback that fosters critical thought and individual voice. (PR, SR, CT, CO)
- C. Growth of one's individual photographic vision, style, and expression of ideas. (CO, PR)
- D. Refined skills in interpreting, viewing, and criticizing images. (CO, PR, CT, SR)
- E. Understanding the present career opportunities and broader connections to the use of photographic and digital images. (PR, SR, CO)
- F. A deeper understanding of the history of photography and its relationship to digital capture. (CO, CT)
- G. Appreciate the ethical and aesthetic power of the image.

Contracts:

Students who receive an I (Incomplete) at the end of **FIRST** semester in Photo may earn a grade by making a contract with the instructor, which will outline what the student must do to make up an I. Students are eligible for a Photo contract provided he/she has shown consistent classroom effort during the previous grading period and have a 60% or better. After signing a contract, the student must complete the contract in the allotted time frame. **CONTRACTS WILL NOT BE ISSUED 2nd Semester, as there is NO digital darkroom in summer school. ALL students must have a 70% or higher to pass and receive credit.**

A semester grade of NC (No Credit) indicates that the student did not work consistently during the previous grading periods and has a 59% or below, making the student ineligible for a contract.

CONDUCT EXPECTATIONS:

1. FREEDOM REQUIRES RESPONSIBILITY.
2. RESPECT yourself, each other, the teacher, and the facility
3. **Be on time, ready and prepared to work.**
4. Follow lab and safety procedures, handle the materials properly, clean equipment and computer stations when finished using them, and return all materials and equipment neatly to their proper places. Failure to comply with the lab and safety procedures will result in a ban from the computer.
