

# TV Broadcast Technology~ Electronic Media Production 1, 2

- This one year course is part of the Electronic Media Production Academy (EMP)
- Semester 1 is taken in 11<sup>th</sup> grade
- Semester 2 is taken in 12<sup>th</sup> grade
- Earn Ohlone College Credit
- UC "P" Credit

Students become proficient in the use of television broadcast equipment. Students focus on television broadcasting, project planning, audio and video production, lighting, location production, and studio set-up and operation. Students gain greater proficiency in television production including television broadcasting, including creating news stories. Students produce the daily television show Logan Live! for the James Logan High School campus. Ohlone College credit available for those that qualify.
