

Anatomy & Physiology for Medical Careers

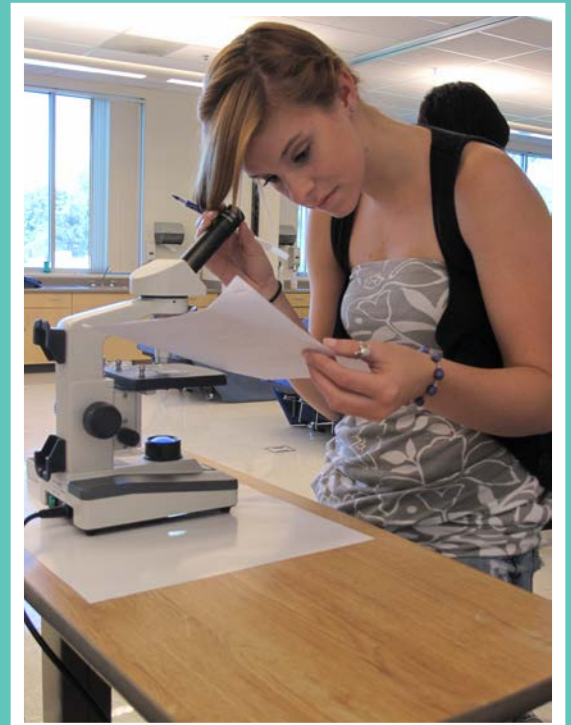

- Open to Kennedy H.S. students
- College preparatory course open to 9th – 12th graders
- Meets UC Area “g” Requirement
- Earn Ohlone College credit

Students will gain a strong foundation in anatomy and physiology, which is needed for any health care profession. They will study body systems in detail, incorporating the health care point of view as well as basic medical terminology. Students will learn concepts that allow them to manage college-level medical and health-sciences courses with reasonable comfort.
