

Nursing Assistant

- Meets UC Area “g” Requirement
- Students can earn a certificate of completion and a proficiency exam for Nursing Assistant
- Students can earn certifications in HIPAA, Infection Control, and BLS/AED

This course gives students the opportunity to gain hands-on experience in multiple health care sites including Nursing Homes (LTC), Assisted/Senior Living, Dementia/Alzheimer Units, Activities/Recreational Therapy, Rehabilitation Units, Acute Care Rehabilitation (PT & OT), Surgery and Medical/Non-Medical Home Care experiences, etc. Students will obtain clinical/externship hours which are required to apply to many medical professional programs. This course will help students determine what area of practice they want to pursue.

Requirements:

- Own transportation to clinical/externship sites.
- Clean LifeScan fingerprint background check
- Completed Medical Packet (i.e., physical, updated immunizations, PPD and Flu immunizations, etc)

To enroll or learn more about this program, talk to your counselor, visit your career center, or contact Mrs. Brucker at: ibrucker@mvrop.org
