

Mission Valley ROP

Career Technical Training Center

2021–2022 High School Courses

Courses at Newark Memorial High School

Business and Professional Development

UC "g" Credit

This course prepares students for the workplace by making a smooth transition from the classroom to a demanding work environment. Students learn about responsibilities while participating in a work-based program that develops critical thinking, communication, and presentation skills and establishes career goals, and prepares them for the challenges of independent living while maintaining full-time employment.

Computer Tech/ Operations

UC "g" Credit | Chabot College Credit

In this course, students learn Microsoft Office Suite, including PowerPoint and Excel, and create Google Docs, Sheets & Slides. Develop business skills, file management, and improve keyboarding skills. Write and edit letters, file lists, and format business forms. Certification Available.

Culinary Arts 1

UC "g" Credit | Diablo Valley or Mission College Credit

This competency-based course is geared to introduce students to the Hospitality and Food Service Industry. The course includes sections on food safety and sanitation, basic culinary terms, hospitality standards, knife skills, fundamentals of cooking techniques, pantry, soups, and basic pastry. Integrated throughout the course are career preparation standards, including basic academic skills, communication, interpersonal skills, problem-solving, workplace safety, technology, and employment literacy. *Students will earn Food Handlers Certification.*

Culinary Arts 2

Prerequisite Culinary Arts 1. Students continue to focus on sanitation, safety, and knife skills. Students gain advanced skills in preparing stocks, soups, sauces and main entree courses, nutrition, costing out recipes and menu and other culinary math skills, menu design, and regional cooking.

Digital Photography I

UC "f" Credit for Year 1 | Mission College Credit.

The study of digital photography encourages conceptual thinking and creativity. Explore hands-on digital photography fundamentals to include: Adobe Photoshop, lighting, set design, studio configuration, camera operation, software interfaces, color management, photo editing, and compositing.

Law Enforcement/Homeland Security

UC "g" Credit | Ohlone College Credit

Students learn legal vocabulary, search and seizure, laws of arrest, judicial systems, specialized police practices, and improved written and oral communication. Explore careers within the criminal justice system and job search procedures. Guest Speakers from local agencies and Police Ride Alongs introduce students to the reality of Law Enforcement.

Sports & Entertainment Marketing

UC "g" Credit | Chabot College Credit

Students will analyze the promotion of brands or the brand experience and gain knowledge on successful business strategies in sports and entertainment. Examples include: how Nike Michael Jordan commercials sparked the current sneaker culture, what made the volleyball duo of Kerri Walsh and Misty May-Treanor increase beach volleyball apparel sales, and why the Superbowl is the most-watched televised event. Students will develop critical thinking skills and recognize which personal qualities will make them valuable to the employer in multiple job opportunities related to sports & entertainment marketing.
