

## PARTNERSHIP FOR NON-NATEF AUTOMOTIVE/DIESEL ARTICULATION UNIVERSAL TECHNICAL INSTITUTE (UTI)

### Articulation Benefits and Features

- Add status for high schools or vocational centers by offering “advanced placement” automotive and/or diesel courses.
- Provide top automotive and/or diesel students an opportunity to continue their career education with less cost and reduced post-secondary training time.

### Process for Advanced Placement

- Each high school or vocational program must provide a signed facsimile of their program courses. The UTI Admissions Representative will assist in this process.
- Articulating students must graduate from a high school, or have proof of attendance from a CTE or Vocational Center, with an active Automotive and/or diesel Articulation Agreement on file with Universal Technical Institute.
- Articulating students must begin their UTI/NASCAR Tech training program within the calendar year of, or one calendar year following, their date of high school graduation.
- Articulating students will be granted advanced placement and a corresponding tuition credit for each Advanced Placement Opportunity test they pass, up to a maximum of four (4) of the tests available. The student will be required to select the four (4) courses for which will take the Advanced Placement Opportunity test to earn advanced placement and tuition credit (if passed with a score of 70% or better).
- UTI Tech I, UTI Tech II - Course Eligibility Stipulations for Advanced Placement Opportunity Testing

UTI – Tech I:

All but the following Tech I core courses are available for Advanced Placement Opportunity Testing: ADTC-101 Automotive Engines & Repair, ADTN-140 NASCAR Engines I, ADTN-141 NASCAR Engines II

UTI – Tech II:

All UTI - Tech II core courses are available for Advanced Placement Opportunity Testing

- Student must pass the exam with a score of 70% to be eligible to bypass the corresponding course(s).
- Articulating students are required to take these Advanced Placement Opportunity tests during Orientation Week.
- UTI will not schedule articulating students for any courses for which they have earned Advanced Placement by passing the test(s) with a score of 70% or better unless the student wishes to take the course(s). Should the students wish to take the course(s) for which they have earned Advanced Placement; the students will be charged the full tuition for the course(s) based on the tuition rate in effect at the time of their original enrollment and will qualify for the one-time \$1000.00 articulation discount.
- To ensure that articulating students possess the appropriate level of technical knowledge essential for their educational and professional success, Articulating students unable to pass the written test will be required to take the course or courses, at the original tuition cost. In the event no APO tests are passed, the articulating students will qualify for the one-time \$1000.00 articulation discount. In these cases, the one-time \$1000 articulation discount will be deducted from the student’s first period of enrollment.
- Articulating students can choose NOT to take any APO tests, and instead receive a one-time \$1000.00 articulation discount towards their total tuition for the qualifying program. The one-time \$1000 articulation discount will be deducted from the student’s first period of enrollment.
- **Students must begin their UTI/NASCAR Tech training program within the calendar year of, or one calendar year following, their date of high school graduation and take the Advanced Placement Opportunity Tests prior to the completion of their first courses of study in order to be eligible to receive this benefit.**
