

Mission Valley ROP

Career Technical Training Center

2020–2021 High School Courses

Courses at Washington High School

Basic Car Care (74010)

This course provides pre–entry level training in automotive service/maintenance and is designed to be the first course for students entering transportation technology career pathways. Instruction covers the following areas: engine systems, electrical systems, tires and brakes, lubrication service, cooling systems, ignition and emission device service.

Auto Technology 1 (1–hour) (74050)

Chabot College Credit

General auto repair, brakes, steering and suspension, electrical systems, engine performance. Students receive hands on experience in auto shop operations, tool usage, safety procedures, equipment operation and customer service.

Auto Technology 2 (2–hour) (74041)

Prerequisite is a C or better in Auto Tech 1. Students gain advanced skills in a variety of areas and can then choose to concentrate in areas of specialization.

Culinary Arts 1 (74170)

Mission College Credit

This competency–based course is geared to introduce students to the Hospitality and Food Service Industry. Included in the course are sections on food safety and sanitation, basic culinary terms, hospitality standards, knife skills, fundamentals of cooking techniques, pantry, soups, and basic pastry. Integrated throughout the course are career preparation standards which include basic academic skills, communication, interpersonal skills, problem–solving, workplace safety, technology and employment literacy.

Culinary Arts 2 (74180)

Prerequisite Culinary Arts 1. Students continue to focus on sanitation, safety, and knife skills. Students gain advanced skills in preparing stocks, soups, sauces and main entrees courses, nutrition, costing out recipes and menu and other culinary math skills, menu design and regional cooking.
