

Law Enforcement / Homeland Security

- Explore careers within the criminal justice system
- Take field trips to local police departments
- Understand the skills that are necessary to become a police officer

Earn Ohlone or Diablo Valley College Credit!

Students learn the general concepts of law enforcement and the administration of justice. They will study the laws of arrest, search and seizure, constitutional rights, and the history of law enforcement. They will be able to discuss crime trends and social issues in the U.S.A., and compare local, state, and federal law enforcement agencies. Students gain a working knowledge of the duties of a police officer, and explore career opportunities in both law enforcement and administration of justice. Students will understand the job application process, career requirements, testing process, and hiring and training procedures for a law enforcement position.

To enroll or learn more about this program, talk to your counselor, visit your career center; or contact either
