The Most Important Lesson to Save Yourself From Problems

IF A STUDENT HAS A PROBLEM, ANY PROBLEM, THE FIRST AND MOST IMPORTANT THING TO DO IS TO NOTIFY CHEF AS SOON AS POSSIBLE.

Attendance Policy

The most employable skill a teenager takes to an interview is proof of good attendance. MVROP's mission is to prepare students for employment. Just as in business and industry, where employees are **expected to show up on time every day**, Mission Valley ROP students are **expected to be on time for classes every day**. Make up assignments will be given for excused absences only, which include medical, legal or bereavement circumstances. Failure to complete make up assignments will adversely affect your grade. Excellent attendance certificates will only be issued to students who have a 97% attendance/punctuality score. This is a very valuable piece of paper to have with your resume'.

Cheating

Mission Valley ROP is committed to preparing students for the workforce. This preparation includes technical skills as well as business ethics. Mission Valley ROP does not condone **Cheating**. Any student caught cheating on an exam or copying work from other students will be given one warning and a failing grade on that assignment. Any subsequent incident may result in the termination from his/her Mission Valley ROP program, a failing grade, and loss of credits.

Leadership

There is very little traditional homework. However, students will be expected to put in 9 leadership hours outside class. These may include working in the garden, coming in to volunteer to help maintain the kitchen, and taking on extra cooking lesson/projects.

Grading Policy

- Homework/Projects (includes leadership hrs.) 30%
- On-time assignments 15%
- Employability skills (punctuality and being on-task) 25%
- Tests and Quizzes 30%

90 – 100% **A** 80 – 89% **B** 70 – 79% **C** 60 – 69% **D** 0 – 59% **F**

Homework- The workplace skills of leadership, listening and being responsible for managing yourself

Assignments will be first announced, then posted on “Google Classroom”. Students are responsible for due dates when announced, glitches w/ technology are no excuse for missing a deadline. Remember, notify me BEFORE THE DUE DATE if you have an issue. Some projects will be turned in BOTH online in Google Classroom and as a printed copy for separate grades. Being absent does not excuse you from the online assignment deadline.

On Time Assignments- The workplace skill of meeting deadlines

15 % of your overall grade is strictly about turning assignments in ON TIME. If you turn in on time you get 100% of the points. If you don't, you get zero.

Employability Skills- The most important workplace skills, being on-time, being on task

Young people mostly lose jobs for three reasons: tardiness, being on the phone and not being on-task (doing their job- if you're standing around chatting, you're not working).

For the “Employability Skills” grade, students will meet regularly with Chef before every report card to review the student's ability to meet these expectations: An “**A**” is awarded for meeting the expectation of showing up on time every day, staying off phones/devices, and remaining focused on work. A “**B**” is for a student who is very rarely late, almost never on their phone/devices, and consistently is on-task. A “**C**” is for a student who is late only a few times, once in a while has be reminded to put away their phone, and is mostly on task, meeting the minimum acceptable behavior for a workplace. Anything below these expectations will require developing a plan to help the student and to meet the course's minimum expectations: this will involve counselors, parents, coaches and AP's.

Students completing this course with a grade of “C” or better will receive a Mission Valley ROP **Certificate of Completion** listing competencies achieved in the course. This will be an important part of the portfolio each student will assemble by the end of the class.

Students who are not maintaining a grade of C will be notified before end of the Semester.

Portfolio - Each student is required to complete a portfolio section. This will include a resume', sample business letters, etc. Students will not receive a Certificate of Completion if they have not completed their portfolio.

Letter of Recommendation and Reference

After the completion of the first semester, I will write students who demonstrate excellent “workplace skills” letters of recommendation and serve as a reference.

Home Cooking Assignments - At least seven times during the year students will be expected to cook at home based on class instruction. If a student has a problem with home cooking, the student is expected to bring this to the Chef's attention ASAP and accommodations may be made.

California State Food Handler's Card

All students will be required to take and pass the online class for sanitation. Students are not required to pay the \$10 for printing the certificate; they just have to prove that they passed the test. This will be covered in class. The Food Handler's Card is required statewide for any employee who handles food. This is an incredibly valuable part of one's resume/portfolio; many students have said that showing this during an interview got them their job.

Bathroom Passes- There are none

Students have passing periods, brunch and lunch to use the bathroom. This emulates breaks given at the workplace. In case of emergency, of course, a student will be allowed to go but this should be very rare.

Community Service

Culinary 1 students will be expected to earn three hours community service. Working in our garden after school or on the weekend definitely counts. Other options include volunteering at a soup kitchen, campus clean-up day, volunteering for "Do It For Delaney", Special Olympics and the like. If you have any questions, please ask. This assignment can be completed at any time but will count in the second semester grading.

Clothing/Shoes

For safety reasons, students are to wear clothing that protects them. Pants, full-length skirts, and dresses that go down to the ankle are acceptable. Shoes must completely cover toes and heels. Many students have kept a pair of sweats and old sneakers in their locker so they are prepared but can wear other clothes during the day. Exceptions must be approved ahead of time. Although we generally cook on MT ThF, we do prep and labs on other days so students are expected to wear proper attire every day we cook.

Supplies Students Will Need for This Class

1" 3-Ring Binder for all work, tests, notes, etc.

½" New 3-Ring Binder for Portfolio second semester

Additional Policies and procedures of the classroom

- Respect will be shown to all. Carry yourself with a professional demeanor at all times.
- At no time touch the Chef's desk or computer.
- Safety and Sanitation are of utmost importance. You must meet standards and expectations set by the Chef. Failure to do so can result in removal from the program
- No pretending to play basketball with the garbage cans.
- Extra credit will be just that "extra". It does not replace classwork. Opportunities will be announced during the year. To be eligible for extra credit, a student must already have above a 75% in the class. Extra credit will not exceed 3% of grade. It is meant to be enough for a student to push up half a grade, not a means to pass the class.

Articulation - Passing this class with a B- or above counts as units at some Colleges.

Student of the Year - One student from each class will be nominated for a Student of the Year Award.
